

Haymarket Dental

caring for you and your smile

Our team

Dr Kiki Norman

(BDS Ncle)

Principal Dentist

Kiki qualified from Newcastle University in 2004 with a merit in child dental health. Kiki is a Platinum Elite Invisalign provider. She enjoys all aspects of dentistry and in particular cosmetic dentistry, cosmetic bonding using white fillings and Invisalign. Kiki has been a Comprehensive Invisalign provider since 2006 and is now a Platinum Elite provider.

Kiki and Andrew took over Haymarket Dental in 2009. Kiki is a member of the British Dental Association and really enjoys keeping up to date with the latest advancements in dentistry by reading journals and attending courses.

Dr Andrew Norman

(BDS Ncle) GDC no. 83346

Principal Dentist

Andrew also qualified from Newcastle University in 2004. He enjoys all aspects of dentistry and has a particular interest in surgical procedures and implants. Andrew has completed the highly acclaimed dental implant training programme at the PID-academy. This was an extensive course run over 18 months.

Andrew enjoys keeping up to date with the latest materials and techniques by going on several courses each year and by reading dental journals.

About us

Welcome to our practice where we will provide high quality dentistry to all our patients. Our aim is to provide painless general and cosmetic dentistry to ensure we keep you smiling. We know every patient is different and we always take the time to listen, so that we know how to provide the best possible care, tailor-made just for you. We look forward to welcoming you and your family to our friendly practice.

Our practice is conveniently located in the centre of Haymarket, Edinburgh, and easily accessible by train, bus and tram.

Husband and wife team, Andrew and Kiki Norman took over the practice in 2009. Having young children themselves, they fully understand the importance of teaching children how to look after their teeth, and are committed to providing high quality preventative care for the whole family.

A full refurbishment and expansion was completed in 2011 and the practice now benefits from three state-of-the-art surgeries.

We know that a healthy body starts with a healthy mouth and we are committed to giving you the right advice so we can prevent problems from arising in the first place. As well as offering private routine dental treatment, we also provide a wide range of cosmetic dentistry, as well as facial aesthetic procedures, surgical treatments and implant placement.

We offer affordable dental plans by Denplan for the whole family to ensure your oral health can be maintained on a regular basis.

NHS dental care is available for children up to the age of 18, and is free of charge under NHS Rules and Regulations for children with parents who have Denplan dental plans at the practice.

At your first visit

Prior to your first appointment you will be emailed an appointment confirmation. This email contains a link to your Patient Portal to fill out a medical form and to confirm your personal details. Following a comprehensive examination the dentist will discuss any treatment options with you and provide you with an estimate of costs and a treatment plan. We will always focus on giving you the right preventative advice at every appointment.

Treatments

We offer a range of routine dental care as well as implants, same-day crowns, invisible braces and cosmetic treatments.

Dental Plans

Haymarket Dental are in partnership with Denplan, UK's leading dental payment plan specialist, offering affordable dental plans for all ages.

Denplan For Children

Peace of mind for you and healthier smiles for your child.

This plan is a simpler way of keeping up the great habit of regular check-ups for your child without worrying about unexpected bills. Your child's plan will include expert advice and may also include dental x rays, hygiene treatment and preventative treatments with discount on any restorative treatment given.

Denplan Essentials

A plan designed as an easy way of keeping up the great habit of regular check ups giving expert advice about keeping your teeth and gums in great condition and avoiding nasty surprises. Your plan will include dental x rays, hygiene with discount on any routine treatment given.

Denplan Care

This plan is a comprehensive plan that can brighten your smile and improve your oral health for years to come.

Following an Oral Health Assessment by your dentist this personalised plan includes preventative care plus a wide range of restorative treatments.

Supplementary insurance

All of our dental plans have the option to have supplementary insurance benefits included in their plan such as:

- Worldwide dental injury and dental emergency cover
- 24-hour dental emergency helpline
- Mouth cancer cover
- Hospital cash fund for dental related stays
- Implant insurance

Please speak to your dentist or a team member for more information on costs to join our dental plans.

Complaints procedure

We hope very much that we are always providing our patients with the best possible care but if there are any concerns that you would like to bring to our attention we will deal with them promptly and discreetly.

Your feedback and comments are always welcome.

Privacy policy

We take great care with our patients' personal data to ensure we comply with best professional practice regulations and GDPR (General Data Protection Regulations).

If you would like to see a copy of our Privacy Policy please ask at Reception.

In an emergency

We keep daily morning and afternoon emergency appointments. Patients should call first thing in the morning to report emergencies and will be triaged and seen within 24 hours.

For emergencies out of hours please call the practice on 0131 229 6633 for help and advice.

In an emergency outside practice hours

For out of hours emergencies please call the practice on 0131 229 6633 for help and advice.

Denplan patients can access 24-hour emergency helpline:

UK **0800 844 999**

Abroad **+44 1962 844 999**

NHS patients should call NHS 24 on 111 and will be triaged to be seen at Chalmers Dental Centre.

Interpretation services. Available on request.

Access for the disabled

The practice is accessible straight from the street and is located up a small set of steps.

If you have any special requirements, please let us know and we will do our best to accommodate your needs.
